The philosophy of Mass Bay Girls Lacrosse League is to teach a love of the game of lacrosse to young women in a safe, enthusiastic, instructional environment with genuine respect for players, opponents, and officials. Our league was founded on the principles of no standings, no tournaments, no slaughter, and no tolerance for disrespect. Please make sure that teams are not stacked with the best players.

Our coaches must be representatives of our goodwill policies and will adhere to the following code of ethics:

- Never place winning above the principles of fair play,
- Lead by example and demand good conduct and sportsmanship from all spectators,

- Support and respect the officials, and
- Treat all players as individuals with patience and a positive attitude.
- In addition, coaches are responsible for ensuring that their team's parents and players follow the above policies.
